

## Customer Satisfaction Guaranteed!

“...Sets the bar and is my personal benchmark for evaluating professionals when I interview to hire.”

**Aero Antenna Technology**  
**Benjamin Rubeni**  
**QA Manager**

“...when it comes to conforming to the intricate requirements of AS9100 & NADCAP, we always know that [they] will get the job done”

**INCOTEC**  
**Innovative Coatings Technology**  
**Randall Briley**  
**C.O.O**

“Every time I am audited I know [They are] auditing to make improvements for the better of TCB and not just looking for inaccuracies in our system which makes a big difference to me.”

**Thermal Conductive Bonding, Inc.**  
**Daniel Sandel**  
**Quality Assurance Manager**

“[Their] knowledge of both the AS9100 standards and the Nadcap standards is so strong; [They have] the ability to guide without intimidating and share knowledge without arrogance.”

**Hydro Fitting Manufacturing Corporation**  
**Mrs. Johanne Schwarz**

“During our partnership we have achieved AS9100 Revision “C” upgrade with minimal findings. [Their] tireless construction of a new database system for most of the departments will help us keep organized with quick reporting of the current state of applicable processes.”

**Sunbank Co.**  
**Gary M. Carr**  
**Director of Quality Assurance**
